should we take off?

nah. I don't like heights.

aaah.
a quiet moment
to myself.

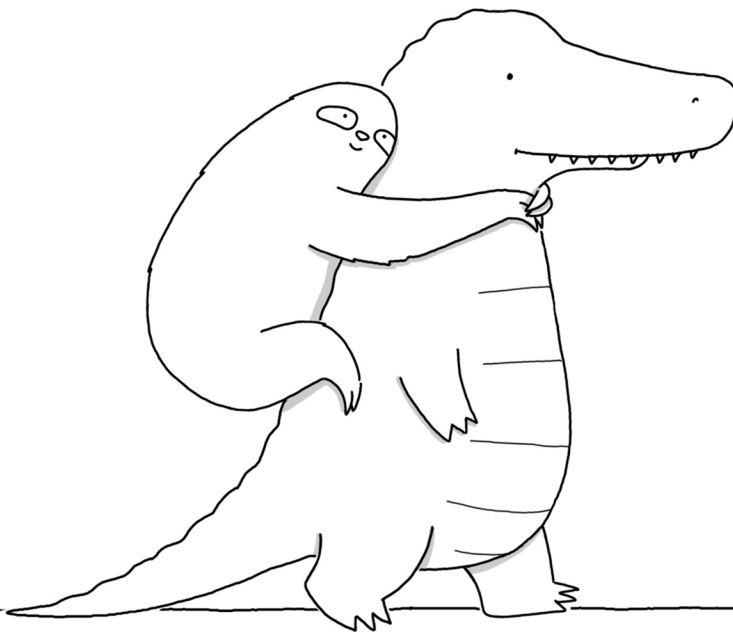

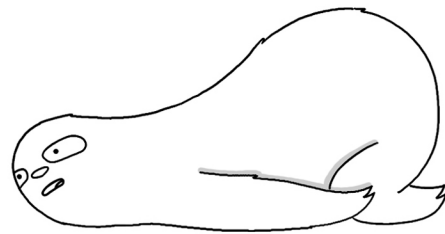

let's go
for a walk.
that always
cheers
me up.

I don't
think I can.

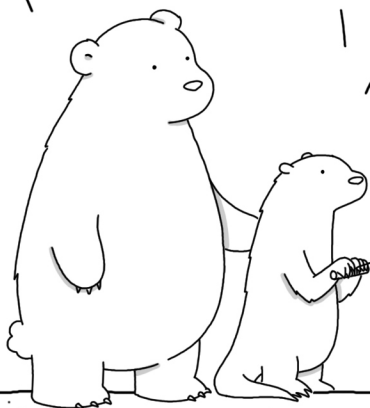

What
happened
to your
kite

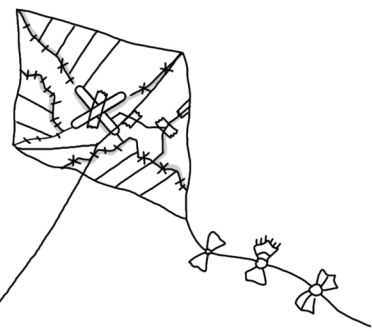

I broke it
because I'm
angry.

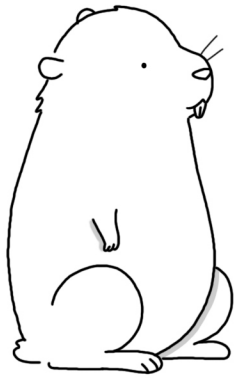

you owe
me a
new towel

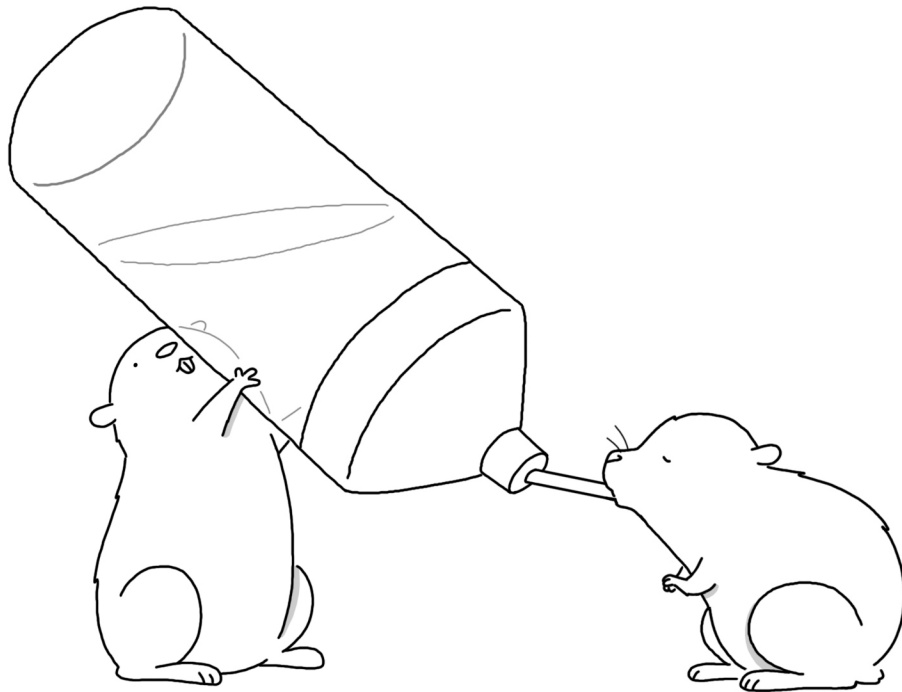

I know

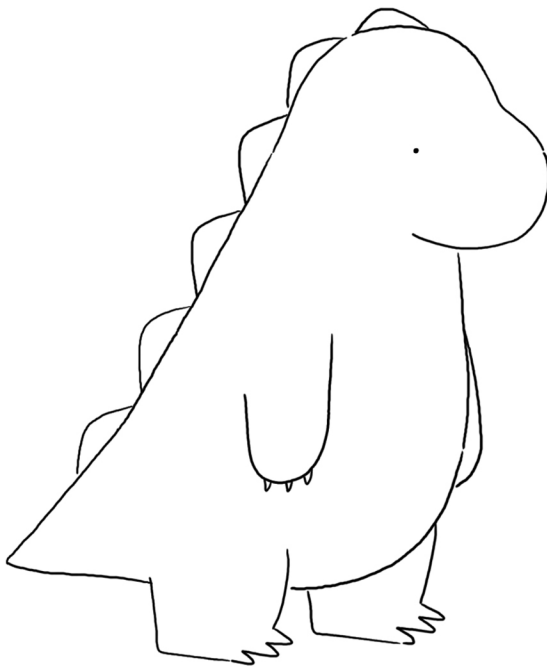

can I get
you a drink?

sure.

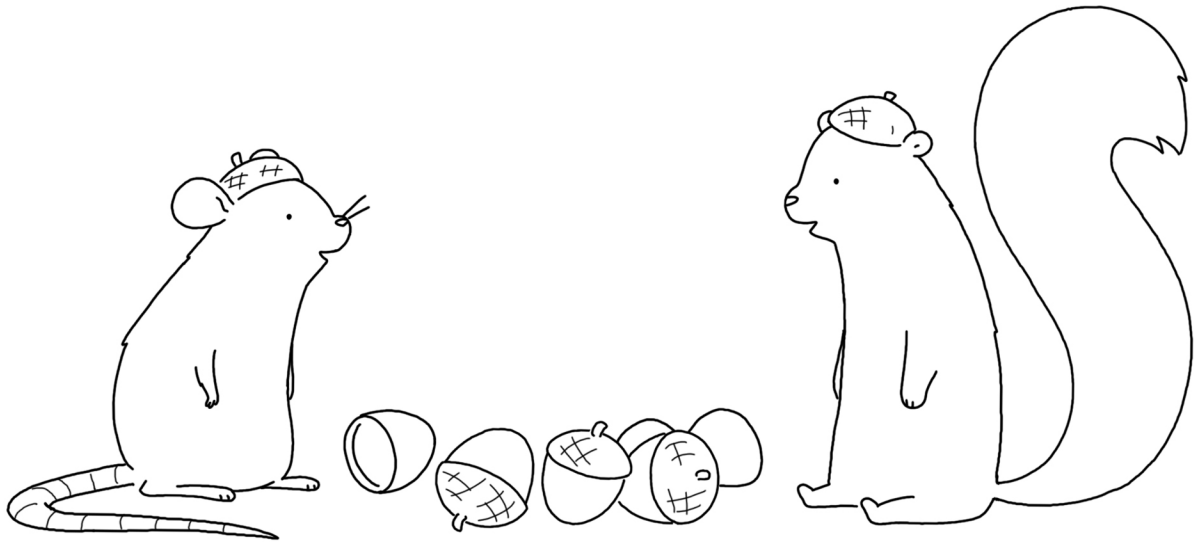

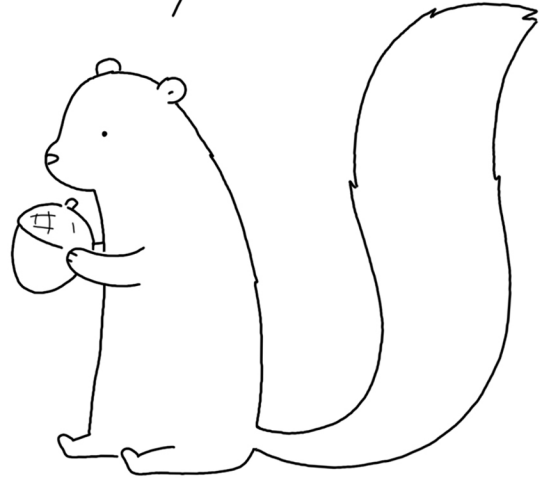

all I
want for
christmas
is
you

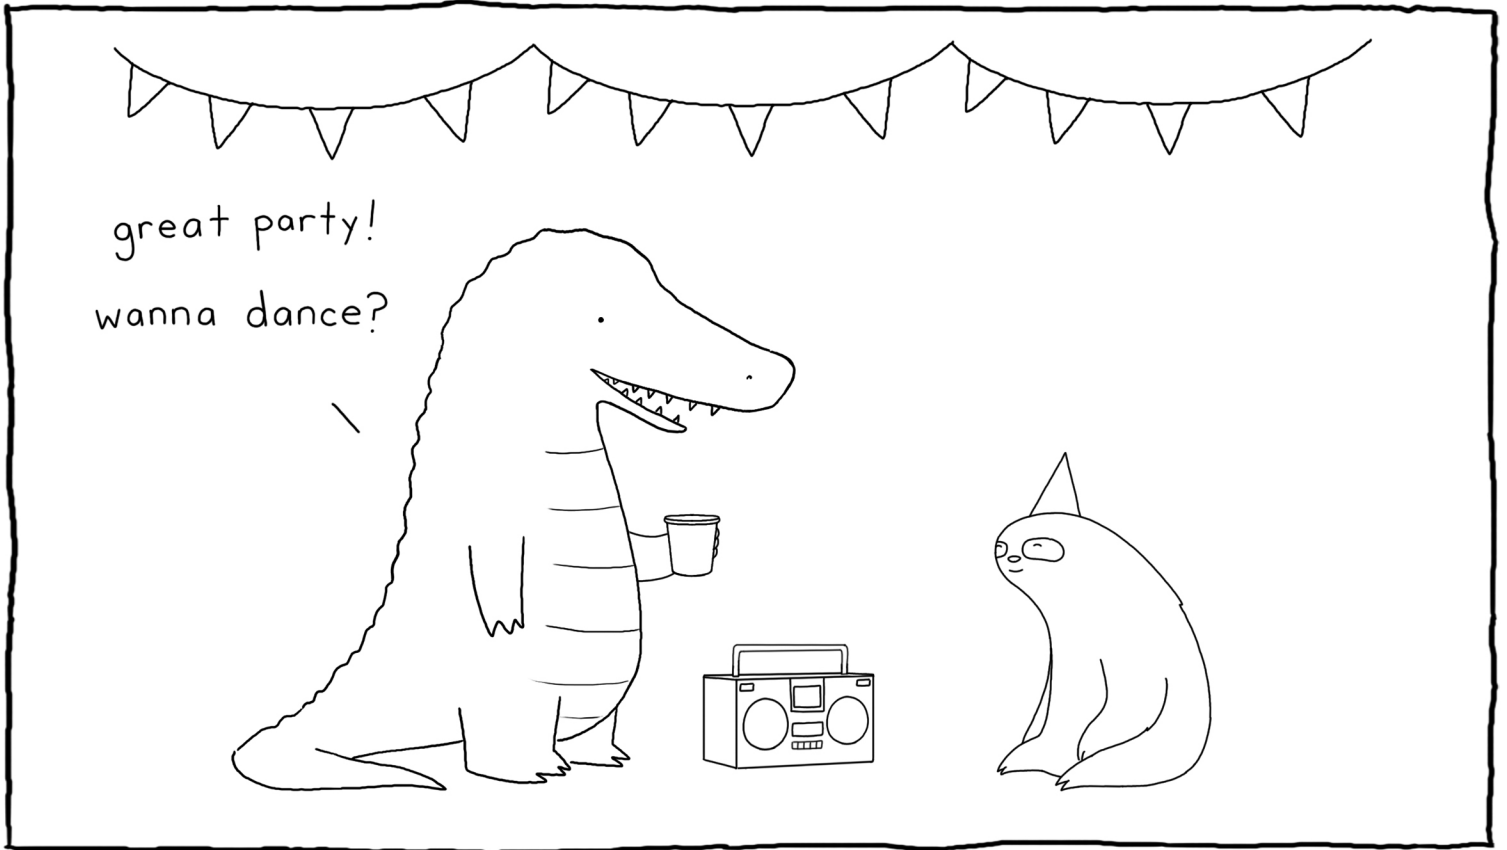

I like
acorns.

same. I like
that they come
with a little hat

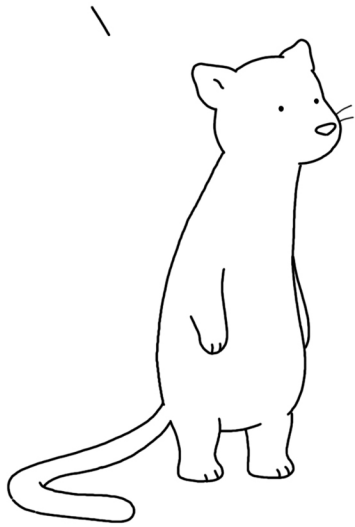

hello?
are you okay

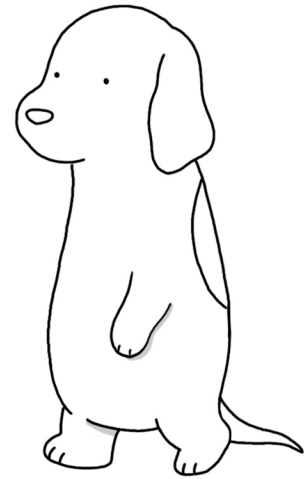

I think
she's
sleeping

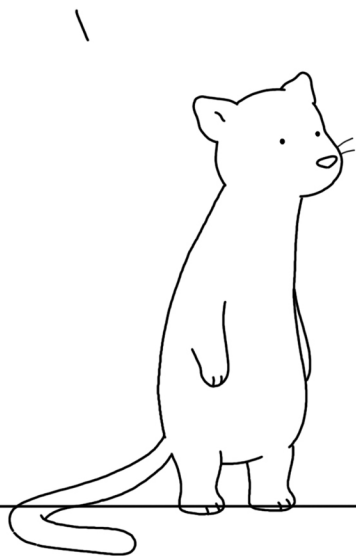

did you wash your
hands before you
left the bathroom?

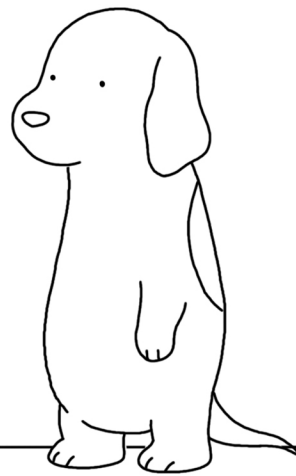

of course I did!
don't be gross.

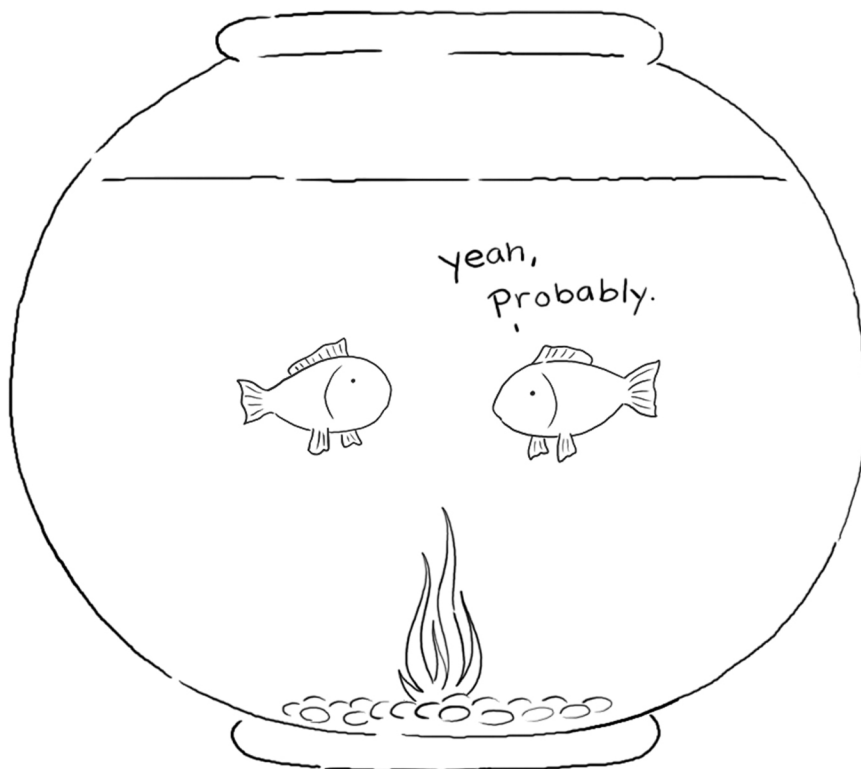

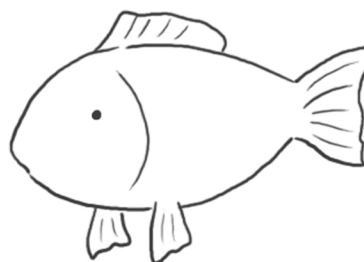

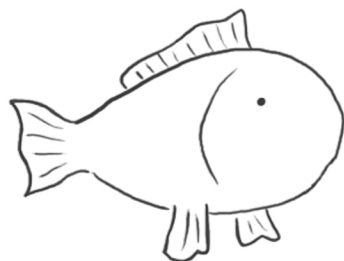

did you drink
from the toilet?

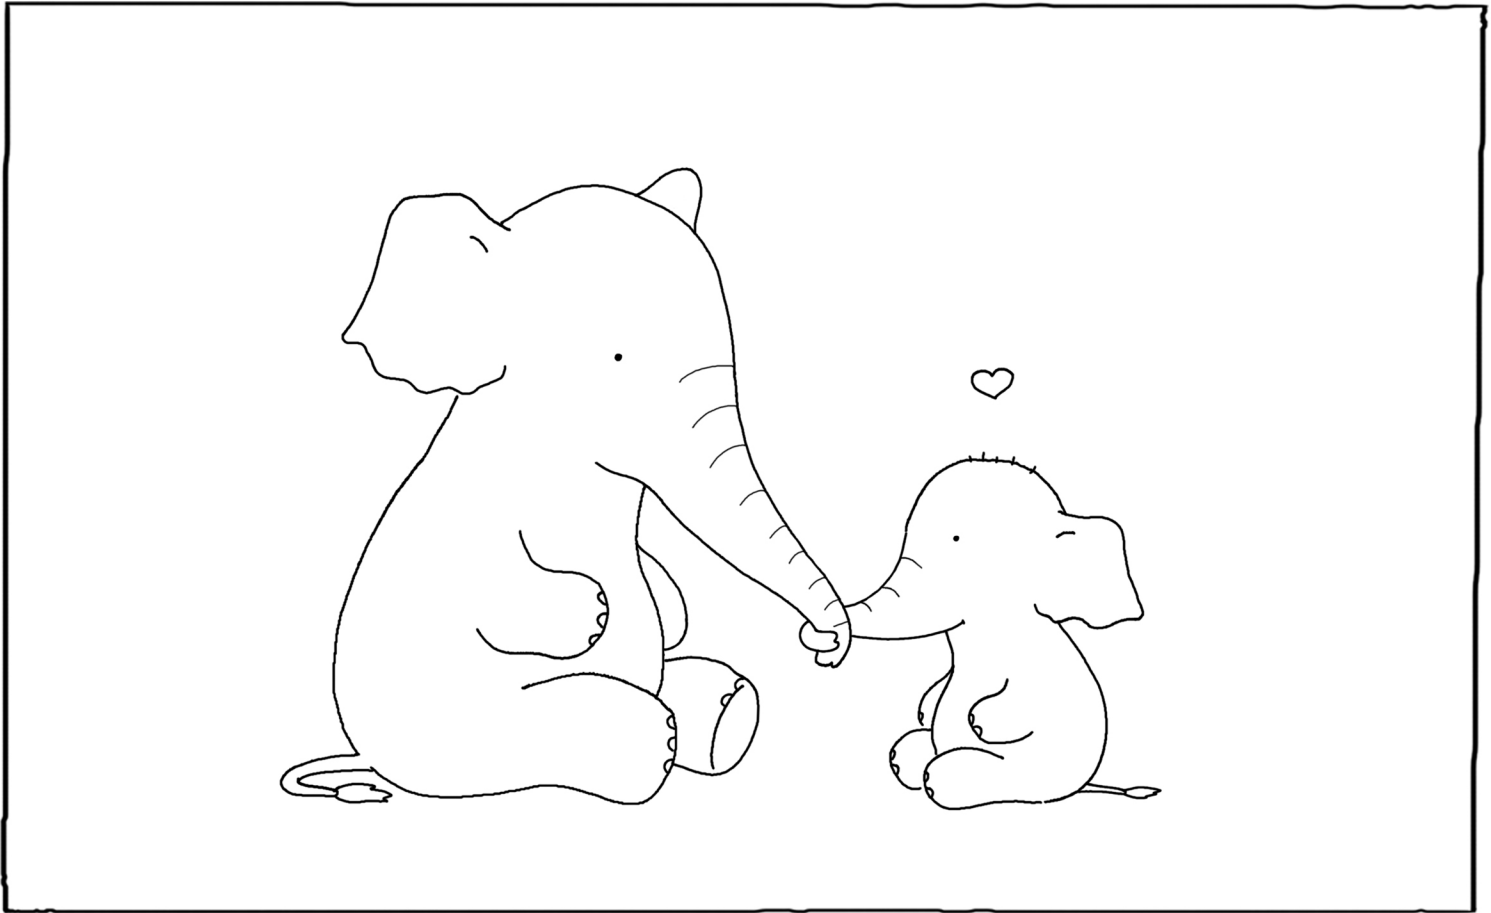

that's personal.

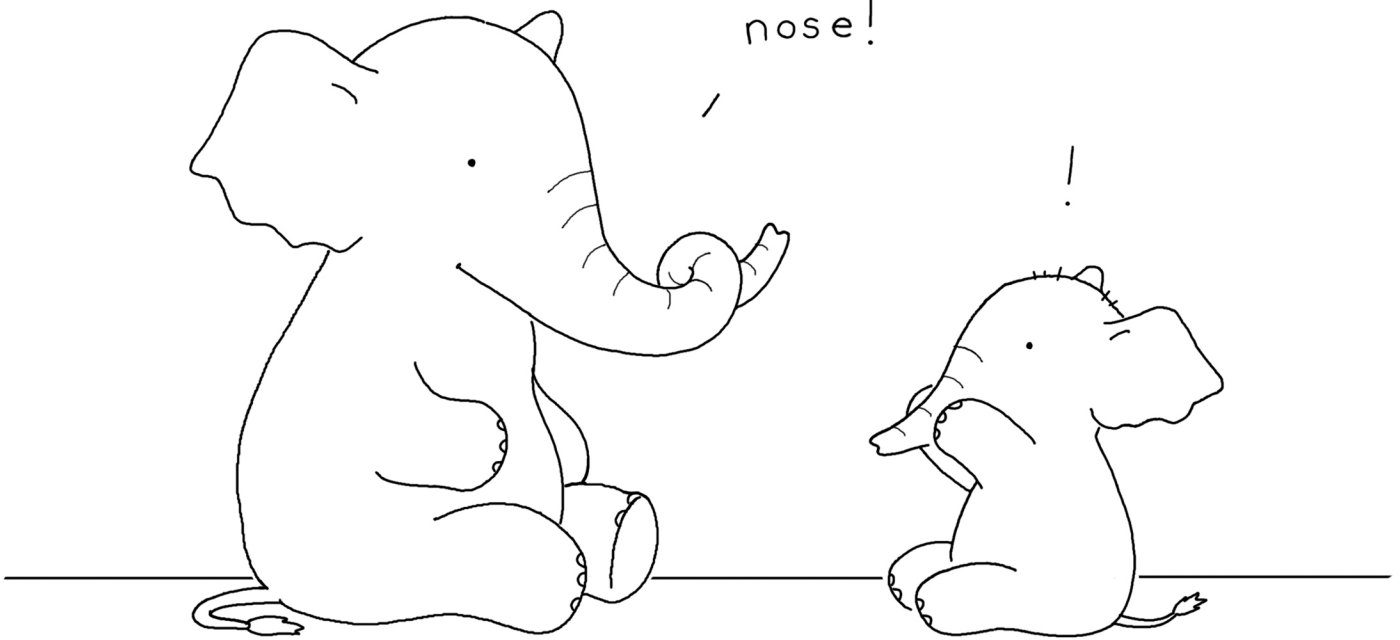

you wanna
hang out
later?

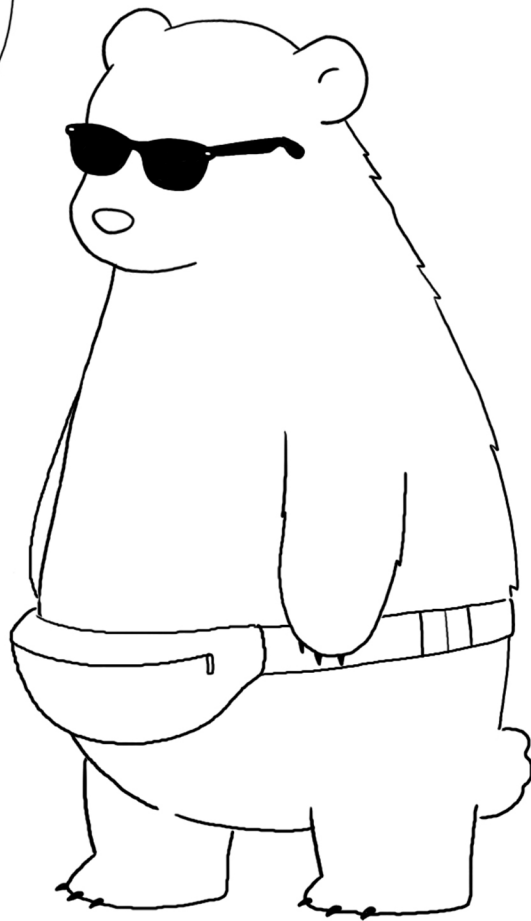

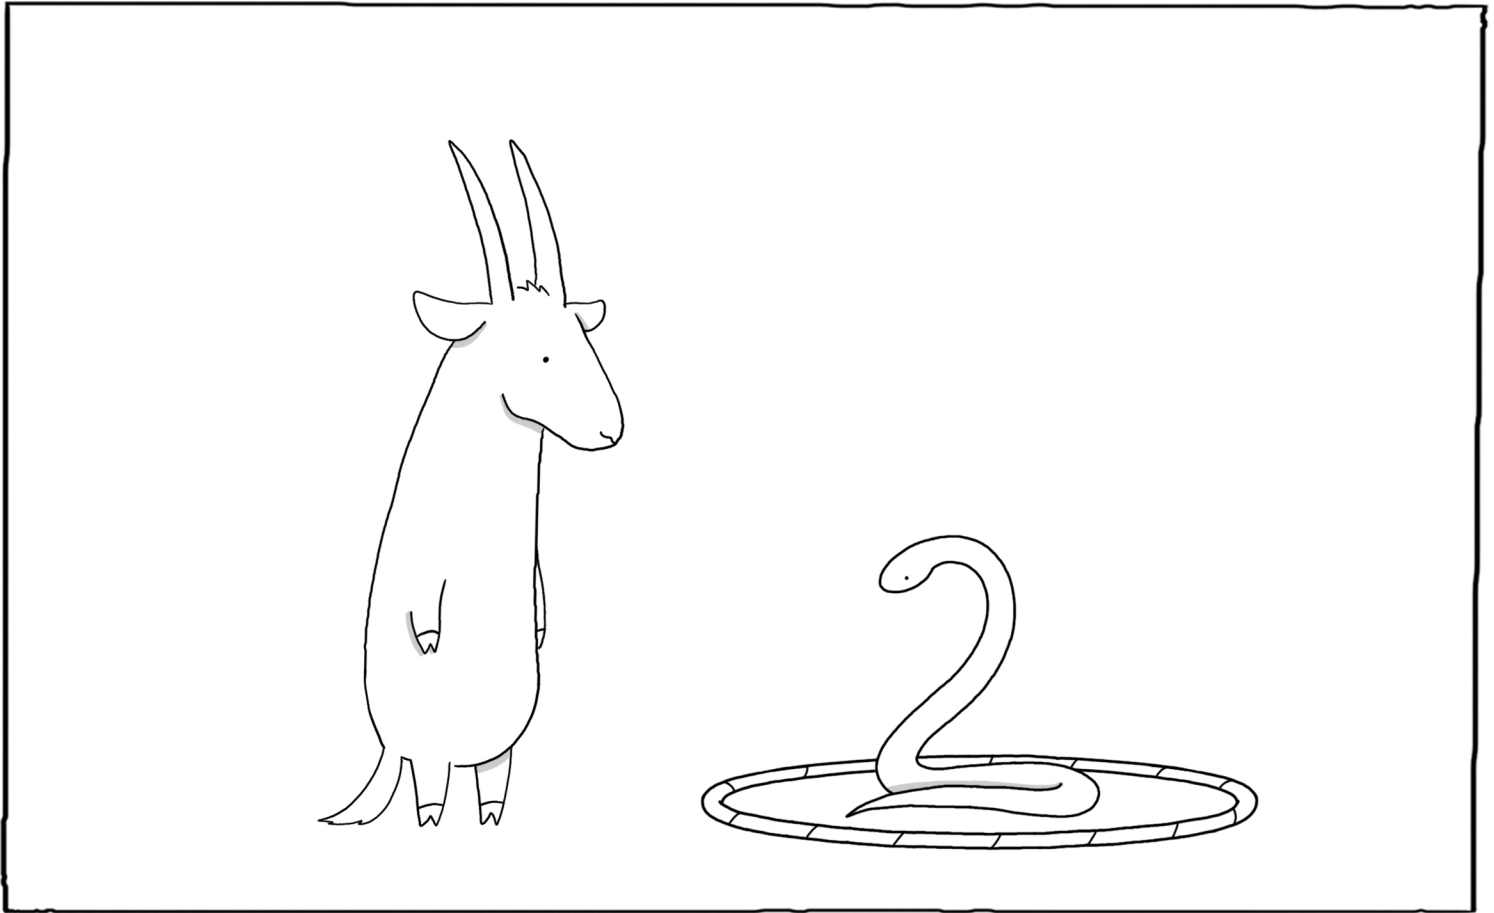

got your
nose!

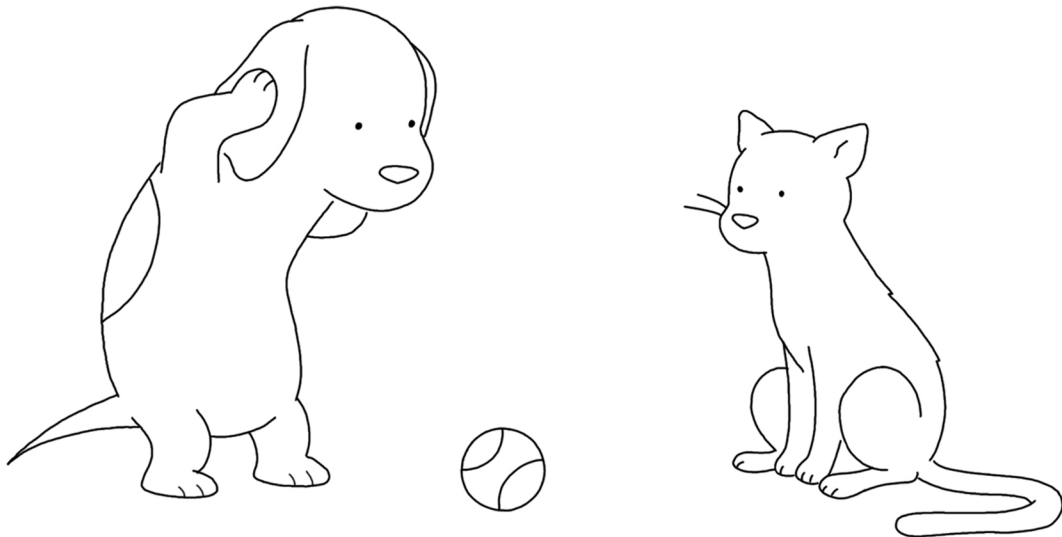

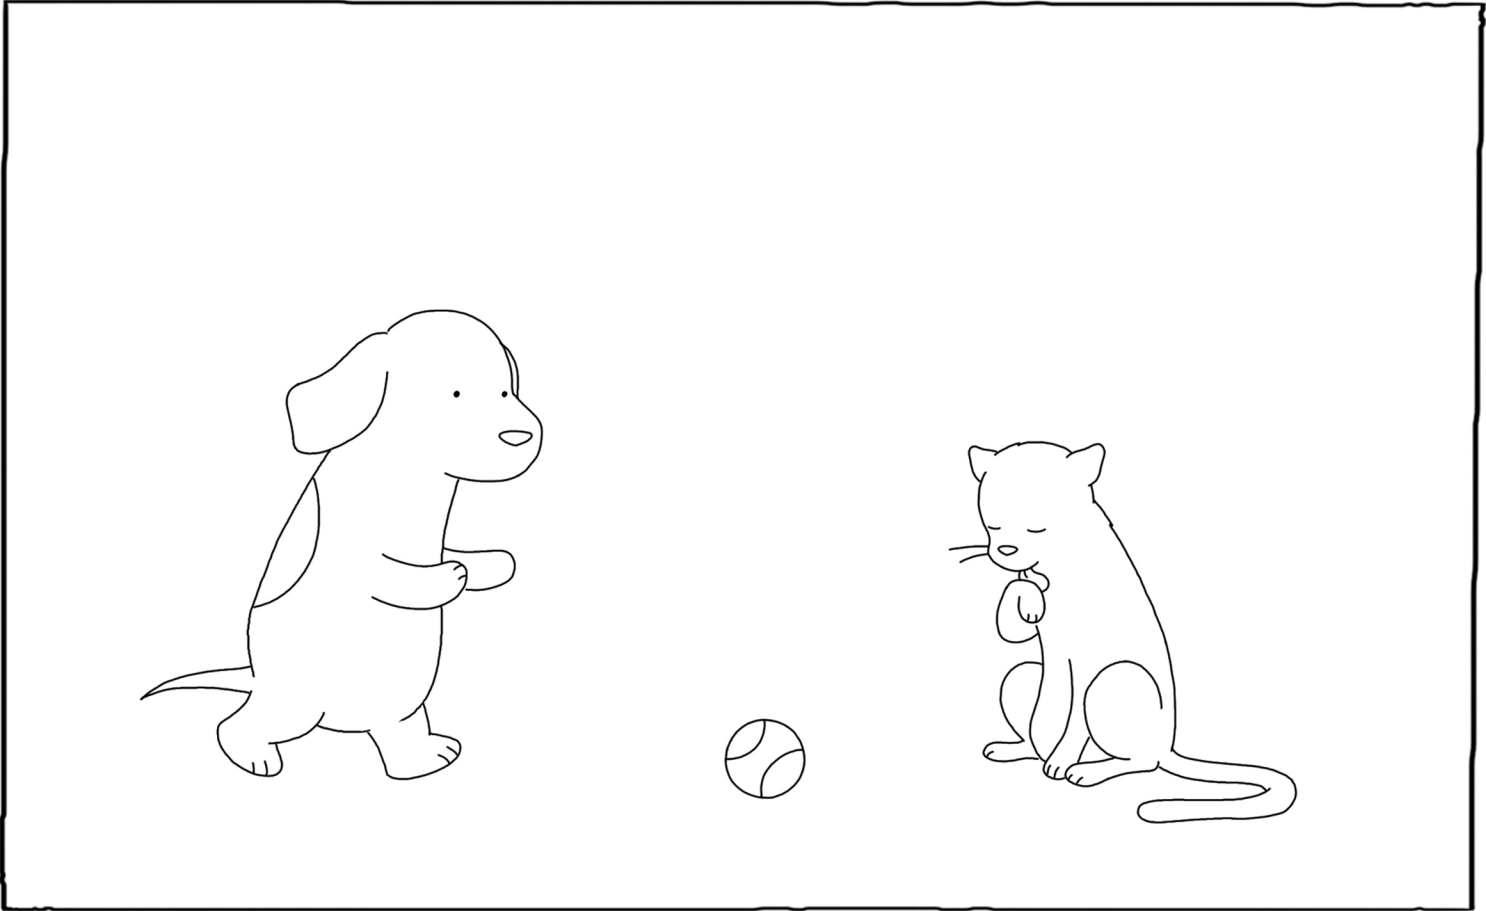

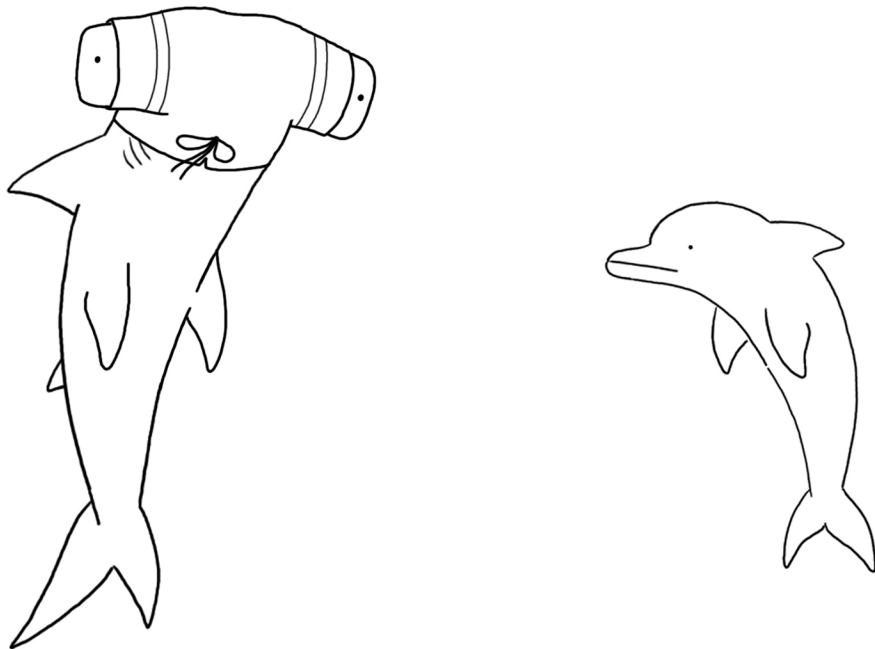

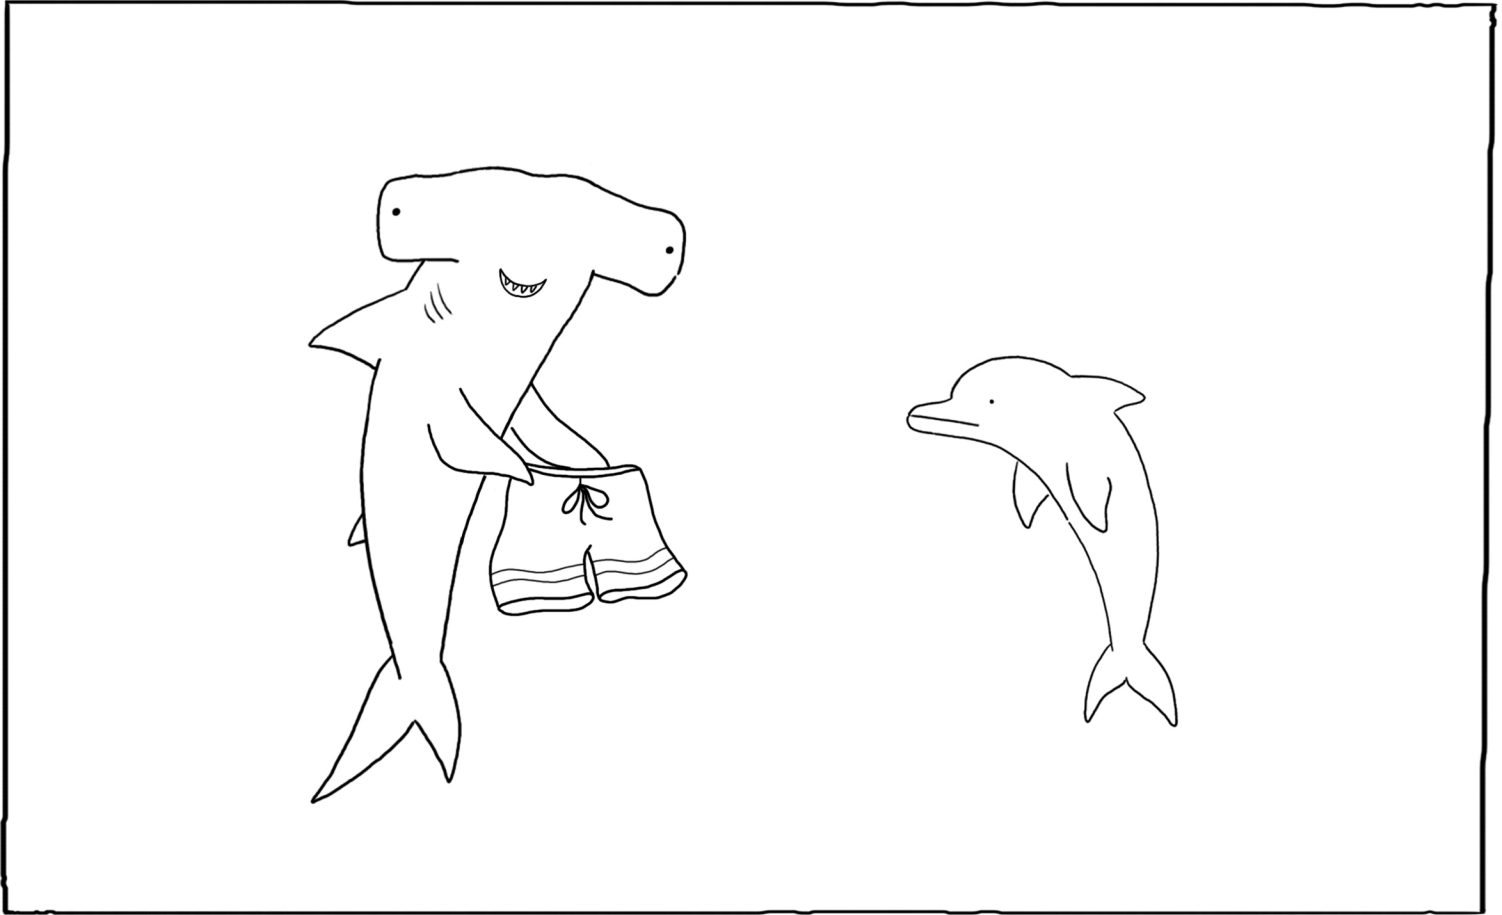

how do
you do,
fellow kids

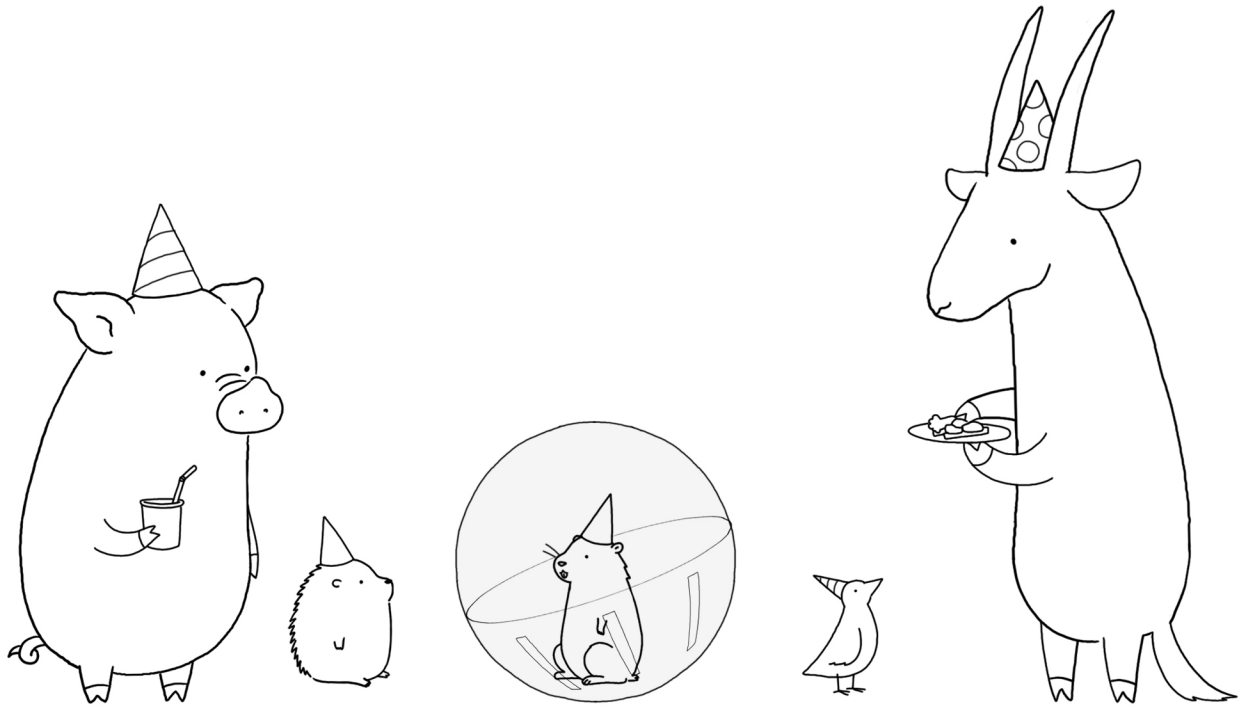

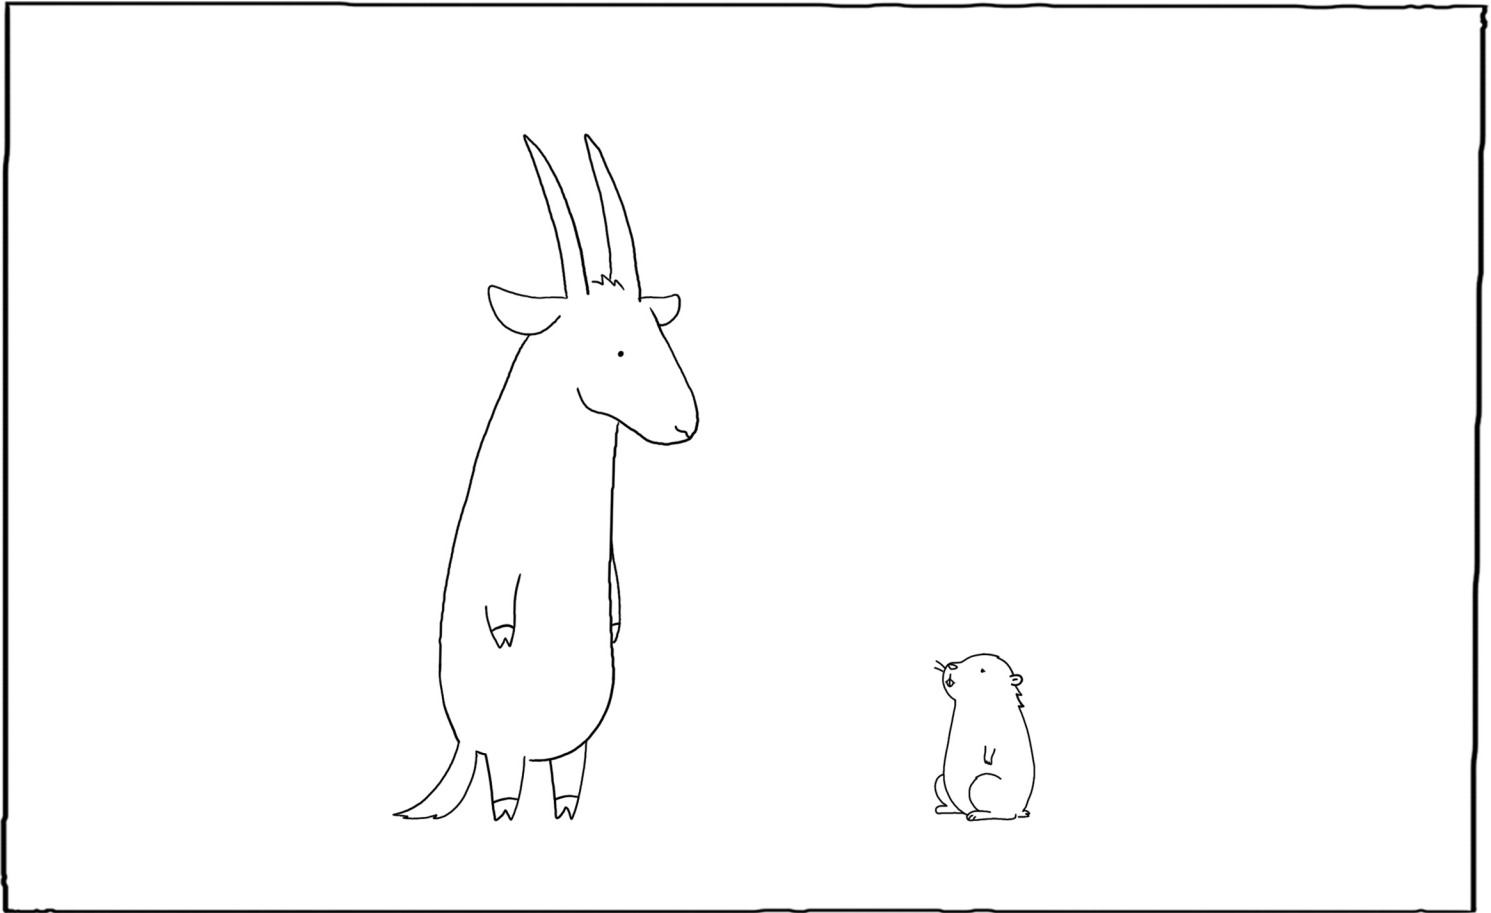

can you come up with a
caption for the next few comics?
