Introduction

What is malpractice and maladministration?

'Malpractice' and 'maladministration' are related concepts, the common theme of which is that they involve a failure to follow the rules of an examination or assessment. This policy and procedure uses the word 'malpractice' to cover both 'malpractice' and 'maladministration' and it means any act, default or practice which is:

- a breach of the Regulations
- a breach of awarding body requirements regarding how a qualification should be delivered
- a failure to follow established procedures in relation to a qualification

which:

- gives rise to prejudice to candidates
- compromises public confidence in qualifications
- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of a result or certificate
- damages the authority, reputation or credibility of any awarding body or centre or any officer, employee or agent of any awarding body or centre (SMPP 1)

Candidate malpractice

'Candidate malpractice' means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper. (SMPP 2)

Centre staff malpractice

'Centre staff malpractice' means malpractice committed by:

- a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at a centre; or
- an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

Suspected malpractice

For the purposes of this document, suspected malpractice means all alleged or suspected incidents of malpractice. (SMPP 2)

Purpose of the policy

To confirm Thriftwood School & College:

- has in place a written malpractice policy which covers all qualifications delivered by the centre and details how candidates are informed and advised to avoid committing malpractice in examinations/assessments, how suspected malpractice issues should be escalated within the centre and reported to the relevant awarding body (GR 5.3)

General principles

In accordance with the regulations Thriftwood School & College will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11)
- As required by an awarding body, gather evidence of any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication **Suspected Malpractice - Policies and Procedures** and provide such information and advice as the awarding body may reasonably require (GR 5.11)

Preventing malpractice

Thriftwood School & College has in place:

- Robust processes to prevent and identify malpractice, as outlined in section 3 of the JCQ publication **Suspected Malpractice: Policies and Procedures**. (SMPP 4.3)
- This includes ensuring that all staff involved in the delivery of assessments and examinations understand the requirements for conducting these as specified in the following JCQ documents and any further awarding body guidance: *General Regulations for Approved Centres 2023-2024; Instructions for conducting examinations (ICE) 2023-2024; Instructions for conducting coursework 2023-2024; Instructions for conducting non-examination assessments 2023-2024; Access Arrangements and Reasonable Adjustments 2023-2024; A guide to the special consideration process 2023-2024; Suspected Malpractice: Policies and Procedures 2023-2024; Plagiarism in Assessments; AI Use in Assessments: Protecting the Integrity of Qualifications; A guide to the awarding bodies' appeals processes 2023-2024* (SMPP 3.3.1)

Informing and advising candidates how to avoid committing malpractice in examinations/assessments

The JCQ documents 'Information for Candidates' are distributed to all candidates by the exams officer and emailed to parents/carers then discussed with subject leads. The JCQ document 'AI Use in Assessments: Protecting the Integrity of Qualifications - Guidance for Teachers & Assessors') is discussed by subject leads.

AI Use in Assessments

All JCQ guidance is issued to teaching staff for example the guidance for Teachers & Assessors - AI Use in Assessments: Protecting the Integrity of Qualifications:

Students complete the majority of their exams and a large number of other assessments under close staff supervision with limited access to authorised materials and no permitted access to the internet. The delivery of these assessments should be unaffected by developments in AI tools as students must not be able to use such tools when completing these assessments.

There are some assessments in which access to the internet is permitted in the preparatory, research or production stages. The majority of these assessments will be Non-Examined Assessments (NEAs), coursework and internal assessments for General Qualifications (GQs) and Vocational & Technical Qualifications (VTQs). JCQ's guidance which is designed to help students and teachers to complete NEAs, coursework and other internal assessments successfully is followed in relation to these assessments.

The following JCQ support resources will also be used to help teachers understand and prevent AI misuse and to help students to better understand the rules for use of AI in assessments: Information Sheet for Teachers, Senior Leader Presentation for Teachers, Poster for Students, Teacher Presentation for Students.
