Install an all-weather, multi-purpose sports surface to broaden the sporting opportunities at break/lunch Develop opportunity for pupils to be physically active outside for PE and breaks/lunch throughout the whole academic year.	<p>Currently:</p> <ul style="list-style-type: none"> • The field becomes unusable for PE and break times during the winter due to poor drainage. This limits PE and break/lunch activity. • The playground surface is uneven and sloping making it difficult for pupils to control the ball in games. • The playground cannot be used for sports such as tennis, hockey or activities with much equipment due to the space being used by others at play. • Pupils do not have the opportunity to practise their physical games skills and running their own games due to sharing the space. 	<p>More sporting equipment/activities on offer at break/lunch Pupils organising their own games Pupils practising their PE skills</p>	<p>Photos Lunch clubs/break activity information PE curriculum map Pupils views Staff views</p>	<p>£16360</p> <p>The whole SSP will be used to support this project</p>
