

27th January 2020

Dear Parents and Carers

Parents Evening – Thursday 27th February

3.30pm – 7.00pm

This is an opportunity to meet with the class teacher, look at your child's work and discuss their progress.

Please indicate your preferred time on the slip; this will be returned to you as confirmation, with your time allocation highlighted. We try very hard to accommodate requests made for a particular time, but this is not always possible. Creating sufficient time to meet with all parents in a class is a challenge, so to ensure that we can maximise the time please

- Be on time
- Turn off your mobile phone
- If possible, do not bring your child(ren) to school as we are not able to provide supervision

We look forward to seeing you.

Yours faithfully

Mrs Georgina Pryke
Head Teacher
