

Writing a speech Activity 5

Today you will be presenting your speech. You can choose to:

- Present your speech to someone who lives in your house.
- Present your speech to a friend or family member over the phone.
- Record your speech using a phone video recording (Tutors would love to watch or listen to these when we are back to college)

You may also choose to dress smartly for your speech. Imagine you are presenting your speech as part of the interview for the job. What would you wear?

Top Tips:

Eye contact

Loud voice

Clear voice

Speak slowly

Smile

Stand up straight

Comments on how you think your speech went? Do you think you would have been successful with the job?
